To whom it may concern

### Substances restricted under REACH

Aflex Hose products to the best of our knowledge do not contain, nor intentionally add, and substances of very high concern from the candidate list published by the European Chemicals Agency (ECHA) under the REACH regulation (EC) No 1907/2006 of the European parliament and of the council.

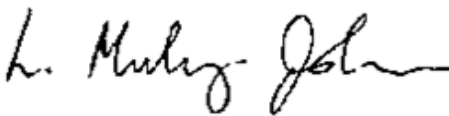

Aflex products and processes have been assessed against the substances in the candidate list on 14 June 2023.

The candidate list can be found at the following web location:

<https://echa.europa.eu/candidate-list-table>

We declare that our products also comply with ROHS 3.0 requirements.

Yours faithfully
